Name of Offeror or Contractor: KAYDON CORP			

SECTION A - SUPPLEMENTAL INFORMATION

1. The purpose of this modification is to provide disposition of scrap material and discuss the current packaging utilized for this contract.

2. The following is provided for disposition of scrap material:

If you have unusable rollers, 'D' rings, and wire races, you may scrap/recycle them locally. There is no need to provide a certificate of destruction. Any proceeds from recycling will be provided to the US Government by check. However, you will be required to submit a certificate of destruction for any scrapped inner rings/gears that have serial numbers stamped on them. Also, for the new inner ring/gear, the original serial number should be proliferated onto the new one with the addition of an "-R" at the end to signify "rebuild/repairs". Likewise, the term "scrapped inner ring" should be placed in the remarks for the production reports submitted to the Government.

A sample Certificate of Destruction is provided as follows:

CERTIFICATE OF DESTRUCTION

PQDR NUMBER \_\_\_\_\_ N/A \_\_\_\_\_

NSN \_\_\_\_\_

QUANTITY \_\_\_\_\_

SERIAL NUMBER (IF APPLICABLE) \_\_\_\_\_

SHIPPING DOCUMENT NUMBER (IF ON PQDR) \_\_\_\_\_

I HAVE WITNESSED (OR THE CONTRACTOR PROVIDED ME WITH SUFFICIENT EVIDENCE TO MY SATISFACTION) TO INDICATE THAT THE PQDR EXHIBITS WERE SCRAPPED IN ACCORDANCE WITH STATE AND LOCAL PROCEDURES.

QAR'S SIGNATURE \_\_\_\_\_ DATE \_\_\_\_\_

3. Material has been received at depot in less than acceptable condition. Boxes are stapled together in lieu of nails, lids are not attached, and boxes are falling apart. This does not meet the contract packaging requirement of Best Commercial Packaging. You are hereby put on notice that any additional receipts may be rejected if packaging is not in accordance with the contract. Additionally, you may be assessed costs for repackaging by the depot.

4. All other terms and conditions remain the same.
